Dear

STAT

Per our telephone conversation yesterday, I am requesting on behalf of the House Select Committee on Intelligence all CIA estimates, current intelligence reports and summaries, situation reports, and other pertinent documents which relate to the ability to predict the 1973 Mideast War, the 1974 overthrow of Makarios and Cyprus crisis, the 1974 coup in Portugal, the 1974 nuclear explosion by India, the 1968 Tet offensive in Vietnam, the 1972 declarations of martial law in the Philippines and Korea, and the 1968 Soviet invasion of Czechoslovakia.

Because the post-mortems performed by CIA Directorates of Intelligence and Operations which the Committee requested previously still have not been delivered, I hope you will understand why I must ask for a response to this request by Wednesday morning, September 10. As the Committee has scheduled hearings for Cyprus and the Middle East for this week, we need those documents by Wednesday morning; the others must be received by the Committee by the close of business, September 12.

Thank you for your assistance in this matter.

Sincerely,

Gregory G. Rushford
Investigator
